

How to Embroider a Nose and Mouth

1

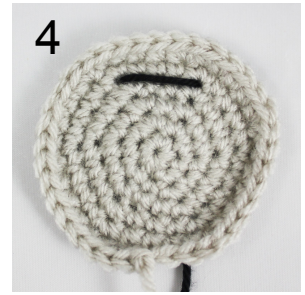

2

Weave in end or tie a knot to secure yarn at the back.

3

Come up with your threaded needle where you want the nose to begin.

4

Go down with your needle on the other side.

5

Repeat this several times until you have a thick band of black.

6

Come up with your needle 1 row down and 1 stitch in.

7

Go down with your needle 1 row down and 1 stitch in on the other side.

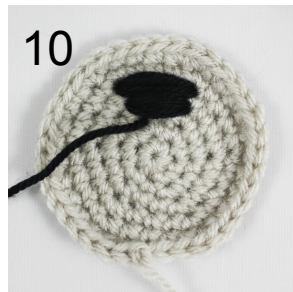

8

9

Repeat this several times until you have another thick band of black.

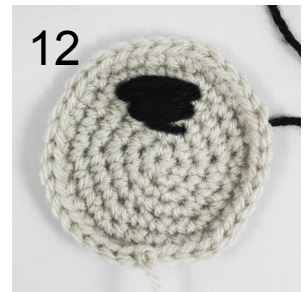

10

Come up with your needle 1 row down and 1 stitch in.

11

Go down with your needle 1 row down and 1 stitch in on the other side.

12

13

Repeat this several times.
